

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The following amendment is made in order to correct a minor grammatical error. In addition, US 7,189,209 to Ogden et al is made of reference as it teaches shock wave therapy. However, a parabolic reflector is used rather than a lens, as claimed, to focus the shock waves.

The application has been amended as follows:

In claim 8, line 6, replace "deposed" with --disposed--.

In claim 10, line 2, insert a comma (,) after "8".

In claim 11, line 2, insert a comma (,) after "11".
104x 10/2/09

In claim 13, line 2, insert a comma (,) after "12".

In claim 14, line 2, insert a comma (,) after "8".

Drawings

The drawings were received on 6/15/09. These drawings are accepted.
